

CANCER DOESN'T END

How might we gain a sense of control as we deal with ongoing uncertainty?

Brainstorm and explore a few possible answers to this question.

GIVING BACK

After going through cancer, I want to give back to the community.

Can you relate to this statement?! Take a moment to share or discuss your experience.

BETTER THAN EVER

How might we thrive as we move forward?

Brainstorm and explore a few possible answers to this question.

CANCER DOESN'T END

Even though it's encouraging when treatment shows success, I still worry about cancer returning. I need help coping with uncertainty.

Can you relate to this statement?! Take a moment to share or discuss your experience.

ADAPTATION

How might we support adapting emotionally and physically so we can do the things we love?

Brainstorm and explore a few possible answers to this question.

THE WHOLE ME

How might we provide care for the whole person, and not just the diagnosis?

Brainstorm and explore a few possible answers to this question.

BETTER THAN EVER

Cancer changes me -- I want my post-treatment life to be even better than my pre-cancer life.

Can you relate to this statement?! Take a moment to share or discuss your experience.

TRUE FEELINGS

How might we create space to acknowledge authentic emotions?

Brainstorm and explore a few possible answers to this question.
